

Call for Papers/Abstracts (CSME Track)

The Canadian Society for Mechanical Engineering (CSME) and CFD Society of Canada (CFDSC) invite you to submit paper/abstract to their joint Congress to be held at the Western University in London.

Papers/abstracts are sought in all areas of Mechanical Engineering including but not limited to,

- | | | |
|---------------------------|-----------------------------------|--|
| • Advanced Manufacturing | • Engineering Analysis and Design | • Microtechnology |
| • Additive Manufacturing | • Environmental Engineering | • Nanotechnology |
| • Automation Systems | • Fluid Mechanics | • Robotics and Control |
| • Biomechanics | • Heat Transfer | • Solid Mechanics |
| • Biomedical Engineering | • Machines and Mechanisms | • Transportation Systems |
| • Codes and Standards | • Materials Engineering | • Turbomachinery |
| • Computational Mechanics | • Mechatronics | • Wind effects on buildings and structures |
| • Energy Systems | | |

ABSTRACT/PAPER SUBMISSION

The submissions to the Congress are in two formats:

- Abstract only (no paper submission required)
- Full-length Paper (for consideration in Student Paper Competition and/or Special Issue of the *Transactions of the Canadian Society for Mechanical Engineering* (Refereed Journal))

IMPORTANT DATES

Submission of Abstract/Full Paper	February 1, 2019
Notification to Authors	February 28, 2019
Submission of Revised Paper (where applicable)	March 30, 2019
Early Bird Registration Deadline	April 15, 2019

CONTACTS

General Inquiries:		csmecfd@uwo.ca
Congress Co-Chair (CSME):	Dr. Kamran Siddiqui	ksiddiq@uwo.ca
Congress Co-Chair (CFDSC):	Dr. Chris DeGroot	cdegroo5@uwo.ca
Congress Co-Chair (CFDSC):	Dr. Chao Zhang	czhang3@uwo.ca
