CSME STUDENT PAPER COMPETITION

Canadian Society for Mechanical Engineering (CSME) would like to invite students to take part in the CSME Student Paper Competition to be held at 2020 CSME International Congress. This competition provides an opportunity for students to showcase their research and communications (oral and written) excellence. Students will have an opportunity to network with students, researcher and industry professional from across the country.

Students are required to submit outstanding research papers (using the Congress paper template) and must fill the appropriate field during paper submission to indicate that the paper should be considered for the Student Paper Competition.

IMPORTANT DATES

Paper submission:	January 15, 2020
Notification to Authors:	February 28, 2020
Announcement of the Competition Results:	June 23, 2020

PRIZES

Prizes will be awarded at the Congress banquet for top three Best Papers; First (\$1000), Second (\$750) and Third (\$500)

ELIGIBILITY

1. Must be registered as a full-time student at a university
2. Must be the First Author of the paper
3. Must be the Presenting Author at the Congress

EVALUATION CRITERIA

The evaluation will be based on the quality of (i) the submitted paper and (ii) presentation at the 2020 Congress and will be judged by a panel of judges.

Paper evaluation will be based on:

- Scientific value and originality of research
- Organization of research
- Appropriateness of research methodology
- Background literature
- Strength of conclusions

Presentation evaluation will be based on:

- Originality
- Purpose
- Methods
- Conclusions
- Presentation visuals
- Answering Questions
