ANNEX R

Pavillon A, Room A-4010, ETS, Montreal, QC
10:00 AM – 12:30 PM, EDT Tuesday 27 May 2025

MINUTES (approved on 23 Nov 2025)

1.0 Call to Order: President Ahmadi called the meeting to order at 1:30 pm EDT. Recorded attendance was as follows:

Present (21 voting out of 452 eligible general members = 5%, quorum met):

- i) Board Members:** Ali Ahmadi (Chair), Xianguo Li, Alex Czekanski, Hossein Rouhani (zoom), Cuiying Jian, Mohammad Jahazi, Dan Romanyk, XiaoYu Wu, Aman Usmani (zoom), Dana Grecov, Juan Antonio Carretero, Zengtao Chen, John Wen, Sébastien Poncet, Yuping He, Guy Gosselin (Exec Dir/non-voting/recorder).
- ii) Voting General Members:** Bilal Ahmad, Ali Hosseini, Mojtaba Kheiri, Behrooz Yousefzadeh, Junfeng Zhang, Lexuan Zhong
- iii) Non-Voting Guests:** Ida Karimfazli, Jin Li, Kingsley Okafor

Regrets (Board Members): Leyla Amiri, George Zhu, Ian Frigaard, Mina Hoorfar, Tom Jenkyn, Maciej Floryan, Farbod Khameneifar, Yang Shi, Hamid Akbarzadeh.

2.0 Acceptance of Agenda: Moved by Zengtao Chen, seconded by Xianguo Li, that the AGM agenda presented in ANNEX Q be **approved** as circulated. **Carried**

3.0 President's Remarks: President Ahmadi expressed that, at a time of increasing global uncertainty and shifting international landscapes, the CSME continues to grow and serve as a vital hub for mechanical engineering in Canada.

He remarked that CSME committees had a particularly productive term. The Task Force on Industrial Relations strengthened CSME's engagement with industry through the launch of a new workshop series and the creation of the CSME Industrial Innovation Award. The Equity, Diversity, and Inclusion (EDI) Committee published a policy statement and hosted a well-received panel on "Why EDI in Engineering." The History Committee began documenting the development of mechanical engineering departments across Canada. Meanwhile, the Student Affairs Committee oversaw one of its most active years, launching new student chapters at Waterloo and UBC.

President Ahmadi added that he was thrilled with this year's participation in the 2025 CSME Congress co-hosted with the Canadian Society of CFD and the Canadian Society of Rheology and thanked the hard and excellent work of organisers. He also thanked Executive Director, Guy Gosselin, for his continued leadership and support.

4.0 Review of 28 May 2024 AGM Minutes: The 2024 AGM minutes, approved at the 189th meeting of the Board of Directors, are presented in ANNEX R. It was noted that the sole arising action had been addressed at the 28 Nov BoD mtg with no further action recommended.

5.0 2024 Audited Financial Statements: Exec Dir Gosselin referred to the draft 2024 audited financial statements presented in ANNEX S and noted that the auditors had reported no unusual transaction, error or issue warranting attention. It was **moved** by Sébastien Poncet, seconded by Xianguo Li, that the draft 2024 financial statements be considered as **received**. **Carried**

6.0 Ratification of Actions/Decisions of the Board of Directors: It was **moved** by Alex Czekanski, seconded by Cuiying Jian, that the actions and decisions of the Board of Directors and its Executive Committee since the last AGM, be considered as **ratified**. **Carried**

7.0 Report of the Nominating Committee: On behalf of Nominating Committee Chair, Executive Director Gosselin referred to the slate of candidates formally nominated by the CSME Nominating Committee (see **ANNEX T**) pursuant to a Call for Applications/Nominations sent out in the Spring.

It was **moved** by Alex Czekanski, seconded by Cuiying Jian, that the slate of candidates for the CSME Board of Directors as presented in **ANNEX T** be **accepted** and that all incoming directors and officers be **appointed** in their listed roles. **Carried Unanimously**

8.0 New Business: There was no new business added to the agenda.

9.0 Next Meeting: Incoming Board Meeting at 2 PM EDT.

10.0 Adjournment: It was **moved** by Ali Hosseini that the AGM be **adjourned** at 2 pm EDT. **Carried**

INDEPENDENT AUDITOR'S REPORT

To the Directors of Canadian Society for Mechanical Engineering

Opinion

We have audited the accompanying financial statements of Canadian Society for Mechanical Engineering ("the Society"), which comprise the statement of financial position as at December 31, 2025, and the statements of revenue and expenditures, changes in net assets, and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Society as at December 31, 2025, and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Society in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

CANADIAN SOCIETY FOR MECHANICAL ENGINEERING**NOTES TO THE FINANCIAL STATEMENTS****December 31, 2025**

1. NATURE OF ORGANIZATION

The Canadian Society for Mechanical Engineering ("the Society") is a non-profit charitable organization incorporated without share capital pursuant to the provisions of the Canada Not-for-Profit Corporations Act, and is not subject to income tax pursuant to the provisions of the Income Tax Act.

The primary function of the Society is the diffusion of knowledge on a continuing basis to mechanical engineers.

The secondary function of the Society is the establishment and funding of scholarships and research fellowships to encourage scholastic achievement and assist financially in the furtherance of higher education in the field of engineering.

2. SIGNIFICANT ACCOUNTING POLICIES**Basis of Presentation**

The accompanying financial statements represent the accounts of the Society but do not include the assets, liabilities and operations of its regional councils, branches, and member society sections. The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

Fund Accounting*Endowment Funds*

The G.H. Duggan Medal is awarded annually to a Canadian engineer for outstanding contributions to the management and practice of mechanical engineering.

The I.W. Smith Medal is awarded annually for outstanding achievement in creative mechanical engineering within 10 years of graduation.

The Jules Stachiewicz Medal is awarded in alternate years by CSME and the Canadian Society for Chemical Engineering to recognize outstanding contributions to heat transfer in Canada.

CANADIAN SOCIETY FOR MECHANICAL ENGINEERING

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2025

2. SIGNIFICANT ACCOUNTING POLICIES (continued)Fund Accounting (continued)*Internally Restricted Funds*

The Development Fund is to be used at the discretion of the Board for projects advancing the purposes of the Society, including seed money for technical meetings.

The ICTAM 2016 Fund was created in 2016 and holds CSME's share of the net proceeds from the ICTAM 2016 conference for the purpose of reimbursing operational expenses of the Canadian National Committee for the International Union of Theoretical and Applied Mechanics (CNC-IUTAM). In 2022, \$85,000 of the funds were donated to the Royal Society of Canada to establish a new international award in mechanics (the Michael P. Paidoussis Medal).

Investments

Investments are measured at fair value at each reporting date, with gains and losses, both realized and unrealized, recognized in the statement of revenue and expenditures as part of investment income or loss.

Revenue Recognition

The Society follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Endowment contributions to the Medal Funds are recognized as direct increases in net assets. Investment income for the Medal Funds is recognized as revenue when earned and allocated to each fund on a pro-rated basis.

Membership fees and sustaining membership revenue are set annually by the Board of Directors and are recognized as revenue proportionately over the fiscal year to which they relate.

Membership fees received in advance for the following fiscal year are recorded as deferred revenue. Conference and forum revenues are recorded when the event is held. Revenue from publications and other services are recorded when the delivery is made.

CANADIAN SOCIETY FOR MECHANICAL ENGINEERING

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2025

2. SIGNIFICANT ACCOUNTING POLICIES (continued)Estimates and Assumptions

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenditures during the reporting period. Actual results may differ from those estimates.

3. INVESTMENTS

Investments consist of mutual funds that comprise the following underlying securities:

	2025	2024
Fixed income funds	\$ 71,010	\$ 69,800
Balanced funds	46,800	44,960
Equity funds	760,130	566,048
	\$ 877,940	\$ 680,808

4. MANAGEMENT CONTRACT

There is a management contract in place with the Engineering Institute of Canada (EIC) to provide administrative services to the Society at an annual cost of approximately \$50,000 plus applicable taxes, plus annual adjustments based upon current rates of inflation. Rent is included as part of the cost. The contract with EIC is in place until June 1, 2027 and will be renewed for another three years unless terminated with one year's notice.

CANADIAN SOCIETY FOR MECHANICAL ENGINEERING

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2025

5. FINANCIAL INSTRUMENTS

The carrying value of cash, accounts receivable, and accounts payable and accrued liabilities approximate their amortized cost and fair value because of the relatively short period to maturity of the instruments. Investments are carried at fair value.

The Society is exposed to various risks through its financial instruments. The following analysis provides a measure of the risks at December 31, 2025:

Credit Risk

Credit risk associated with investments is minimized by investing these assets in widely-traded mutual funds. An ongoing review is performed to evaluate changes in the status of investments under the Society's investment policy.

Liquidity Risk

The Society manages its liquidity risk by regularly monitoring forecasted and actual cash flow and financial liability maturities, and by holding assets that can be readily converted into cash. Accounts payable are normally paid within 30 days.

Market Risk

The Society is exposed to market risks arising from changes in the fair value of financial instruments due to market price fluctuations. Market risks consist of currency risk and interest rate risk.

Currency Risk

The Society's functional currency is the Canadian dollar. The Society rarely enters into foreign currency transactions and does not use foreign exchange forward contracts. At December 31, 2025, the Society had no investments exposed to currency risk.

Interest Rate Risk

The Society is exposed to interest rate risk with regard to its investments. The Society has no interest-bearing liability. Fluctuations in market rates of interest on cash do not have a significant impact on the Society's results of operations. Mutual fund units and guaranteed investment certificates are not exposed to significant interest rate risk due to their short-term nature. Therefore, this risk is not considered to have a significant impact.
