

University/Institution name:	University of Guelph	
Department name:	Mechanical Engineering	
Department website:	https://www.uoguelph.ca/programs/mechanical-engineering/	
Year the department was founded:	2009	
Department heads:	From year	To year
Prof. Animesh Dutta	2009	2015
Prof. Marwan Hassan	2015	2018
Prof. Shohel Mahmud	2018	2022
Prof. Ibrahim Deiab	2022	2023
Prof. Hari Simha	2023	2024
Prof. Fantahun Defersha	2024	Present
Description		
<p>The University of Guelph’s Mechanical Engineering Department offers a broad-based education with emphasis on sustainability, experiential education, and the close connection of mechanical engineering with the existing unique Guelph programs is our strength to attract students to our program. Areas of specialization include renewable energy, sustainable manufacturing, ergonomics and biomechanics, and mechatronics systems.</p>
