

CSME TC on Fluid Mechanics Engineering

Chair: Martin Agelin-Chaab

Committee Mandate/Scope:

- to represent CSME members active within the sector of fluid mechanics engineering.
- to promote the understanding of fundamental and applied fluid mechanics, and to support activities in the sector.
- to organize a Symposium on Fluid Mechanics Engineering (SFME) at the annual CSME Congress;
- to promote TC opportunities within the fluid mechanics engineering community, participation in the SFME by submitting or reviewing papers, and communicating with session participants.

Keywords: Turbulent and shear flows, unsteady flows, aerodynamics and hydrodynamics, bio-inspired fluid dynamics, etc.
